WORK EXPERIENCE

- Pacino's Italian | 2831 N Power Rd #104, Mesa, AZ 85215

Hostess, food runner busser → current place of employment

I manage guest orders and process payments accurately using Toast POS, ensuring smooth and efficient transactions. I coordinate, pack, and distribute takeout and third-party delivery orders (Uber Eats and Grubhub), carefully verifying accuracy and timeliness. I run food to tables in an organized and professional manner, maintaining strong communication with the kitchen and front-of-house team. Additionally, I bus, clean, and reset tables quickly and thoroughly to maintain steady seating flow and deliver a positive dining experience for every guest.

- Mesa Public Library | 635 N Power Rd, Mesa, AZ 85205

Summer Reading Program Teen Volunteer

This is my third year volunteering in this position. While volunteering in this role, I have gained valuable skills, such as customer service and patron confidentiality.. Additionally, my time in this role has allowed me to interact with patrons through various programs, such as the STEM Squad and the summer reading program recruitment. These programs have allowed me to develop strong communication skills and the opportunity to interact with patrons of all ages.

- Girls Who Code | Red Mountain High School, Mesa, AZ

Treasurer and Historian

During these past two school years, I was elected to hold the treasurer and historian roles in the Girls Who Code club. This experience left me with skills such as outreach and budgeting. By holding the role of historian, I was able to grow the club via the Instagram page. Being the treasurer allowed me to create a budget for the club and acknowledge the requests of others, while maintaining strict procedure and budgeting.
